1. When you surrender you are bringing yourself into that which you surrender to.
2. When you surrender you are allowing yourself to enter that which you surrender to.
3. When you surrender you are allowing that which you surrender to, to enter you.
4. That which you surrender to, and you, become one in surrender to each other.
5. All that you are you give in surrender.
6. All that you have you surrender.
7. All that you do you surrender.
8. And father, who you are surrendering to, receives all your surrender, and surrenders his all to you. Is that a fair exchange? All I surrender to you for your surrender to me? I love you. Is that fair, equitable, equanimity in action, displayed behavior; hearts displaying so exchange can take place? I love you.

9. **Answer me reader, hearer**; oh. Is this not the fast I have for you, to undo heavy burdens and let me give you freedom, enjoying rest and freedom and letting my all come to **you** and be manifested in you, you surrendering to it/me, and me giving you my all; in exchange for your all, thought, all thought that you think you have/are, being thought? I love you.

10. Tranquility, sereneness, globalness not; trans-galaxy'd; universalized not, transcendence'd; is that enough? I lead you where? Between the still waters, beside the still waters; being still, I let/lead you, **I become you in you becoming me.**

11. I restore your soul, not; your very being/kingdom, your royalty that you were before time/motion, began. In earnest. See me. See my nail scarred hand/heart. See my love/blood. See my non-negotiables that in you are that you cannot deny, a part of me/your very fabric; of tent, not; ark of covenant, testimony of covenant, covenant central to your very core/being; existent in only me. I love you.

12. See/seeing not another, **see me/you in each other not separate overlaid, nor suppressed, but freedom'd in/to be each other.** I love you.

13. See what surrender gives you? Meship, mehood, me-surrender brings you-ship that meship is, your identity not losing, knowing as you are being known, known as me-you, you-me, us one in identity one, never not knowing/having each other. **We are in each other/each other's thoughts, being, body, mind. There is one. We are it/each other, him, father.** I love you all.

14. This moment, surrender king, not; bringing you into, before; becoming at will, not; father's moment.

15. The adversity/adversary reigns not in kinghood nor kingship nor reigning at all does he/it except in illusory form imagery. I love you.

16. Temper not of this world but temper that stands fire, melts not. That temper I give. Tried and true you now come through all, not; me. I am all in all righteousness, purity, and judgment none; delivered to son judgment is. You being son, all; judging yourself righteous or not all will/do. Sentencing yourselves or celebrating freedom.

17. Surrender wins. Not force, might, power of ones most high thought in their thought alone. They lose/end only themselves. Taking no one with them where I go, I go into/to father's house, alone. Oh for all they could have had/been/enjoyed; **creating with me, creating me, creating with/as father saying create therefore and again I say create me.** I love you.

18. Taking not back a word/sentence, **create me I/you do, in surrender.** I love you. See ne'er a truer statement. I love you all. Amen.

19. **This is the moment realize your creative power, creativity, father, son, creativity one, one in creativity/surrender, one only in surrender,** creating/living only in surrender all creation does/will. I love you.

20. Truer words never spoken. I love you. Truer still, be father, be son; you are. One become. Your choice: surrender anit'd, or surrendered. You live/become your choice, creating it/me fully. I love you.

21. Me still and forevermore. Me, father, one are. In heaven on earth, earth heaven one and where hell? Unsurrendered find out not as thought, taking thought upon/in themselves, forfeit all not forever, until surrender see. I love you all.

Amen
